## Calling all young orchestral musicians!

If you're aged 11-14 and Grade 4+ on your orchestral instrument, come and join us at our free LPO Junior Artists: Overture day at Saint Gabriel's College, on Monday 30 March.

LPO Junior Artists: Overture days are fun orchestral skills days, where participants play alongside LPO musicians, get tips on musicianship, and find out what happens behind the scenes of a professional orchestra.

In this Overture day we will play we will play a varied selection of music, including Georges Bizet's *Farandole* from *L'Arlesienne* Suite, Soon Hee Newbold's *Gravitas*, and the television theme 'Thunderbirds March' from *Thunderbirds*, by Barry Gray - arr. Richard Ling.

LPO Junior Artists: Overture 2025/26 is generously supported by the TIOC Foundation and Garfield Weston Foundation.

Applications are open to all but priority is given to young musicians whose backgrounds are currently underrepresented in professional UK orchestras, who may be eligible for the main LPO Junior Artists programme in the future.
